SKILLS SUMMARY

Languages:	Java, C++, Python, HTML, Css, Jaava Script
Frameworks & Libraries:	React.js, Node.js, Express.js
Databases:	MySQL, MongoDB
Cloud / DevOps:	Git, GitHub, Docker
Developer Tools:	VS Code, Postman, GitHub
Core Subjects:	Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks
Soft Skills:	Problem-Solving, Team Collaboration, Communication

PROJECTS

AI Fitness Chatbot – personalized workout & diet assistant GitHub Live	Mon YYYY – Mon YYYY
- Built an AI-powered fitness chatbot that generates personalized workout and diet plans by understanding user goals, fitness level, and dietary preferences through natural conversation. - Integrated the OpenAI API with a custom prompt-engineering layer to deliver context-aware fitness advice, cutting manual plan-creation time and improving response relevance. - Added progress tracking with daily check-ins and reminders, helping users stay consistent with their fitness routines.	
<i>Tech Stack: Python, Flask, OpenAI API, React.js, MongoDB</i>	
Parvati Student Corner – Campus Store Platform GitHub	Mar 2026 – Apr 2026
- Developed a full-stack student store web application handling real-time product catalogs, dynamic shopping cart management, and online order processing. - Built RESTful API endpoints using Node.js and Express.js backed by SQLite relational schema for server-side pricing validation and multi-item checkout logic. - Designed an isolated administrative dashboard for real-time order status updates, contact request tracking, and inventory management with zero data loss.	
<i>Tech Stack: Node.js, Express.js, JavaScript, SQLite, Bcrypt, Express-Session, HTML5, CSS3</i>	

TRAINING

Object-Oriented Programming using C++ – skill development course Certificate	Jun 2026 – Jul 2026
- Completed a structured skill development course on Object-Oriented Programming using C++, organized by the Centre for Professional Enhancement at Lovely Professional University. - Learned core OOP concepts — classes, objects, inheritance, polymorphism, and encapsulation — through hands-on programming exercises, earning a B grade.	
<i>Tech Stack: C++</i>	

CERTIFICATIONS / CERTIFICATES

Oracle Certified Foundations Associate Oracle University	May 2026
Programming in JAVA iamNeo	May 2026
Programming Using C++ Infosys Springboard	Aug 2025

ACHIEVEMENTS

Result-first line — what was won or ranked, with scale (e.g. among 1,000+ participants)	Mon YYYY
A second achievement, same one-line, quantified format	Mon YYYY

EXTRACURRICULAR ACTIVITIES

Role or activity — what you did or organized, outside class/work	Mon YYYY
A second extracurricular line, same one-line format	Mon YYYY

EDUCATION

Lovely Professional University	Phagwara, Punjab
Bachelor of Technology in Computer Science and Engineering — CGPA: 7.3	Jul 2024 – Aug 2028
Saharanpur, Uttar Pradesh	
Senior Secondary (Class XII) — Percentage: 85	Apr 2023 – Jul 2024
